The Crossbow Landing Board and the Crossbow Point Board shall, without in any way limited the requirements set forth in By-Law 46 hereof, maintain sufficient insurance in order to cover the liability and indemnity provisions set forth above, and each of the respective Boards shall deliver a copy of such insurance to the other Board in order to ensure that adequate insurance coverage is in place to support the liability and contribution requirements set forth above.

Notwithstanding the foregoing, any loss, injury or damage occurring to any person or property while on the common roadway referred to in the Access and Easement Agreement (the "Common Roadway"), the Corporation shall be responsible for same without any cross indemnification liability as set forth above. The Boards shall ensure that the Corporation (whether done through the respective Boards or otherwise) maintains adequate insurance in respect of any such loss, injury or damage on the Common Roadway. By way of clarification, if an accident occurs on the Common Roadway and an injury, loss or damage results therefrom, then the Corporation shall be responsible for insurance regarding same irrespective of whether the accident occurred involving a Crossbow Landing Owner, a Crossbow Point Owner or a member of the public, and in the event that the Corporation requires a special assessment to cover the cost of such loss (as a result of insufficient insurance or otherwise) then all of the Owners shall contribute proportionately in relation to their respective Unit Factors.

Notwithstanding any other provision contained herein to the contrary or otherwise, prior to the Crossbow Landing Turnover Date, the Crossbow Landing Owners shall vote their shares in such a manner as will elect a majority of the positions on the Crossbow Landing Board as nominees of Cove, and prior to the Crossbow Point Turnover Date, the Crossbow Point Owners shall vote their shares in such a manner as will elect a majority of the positions on the Crossbow Point Board as nominees of Medican, unless one of the Developers fails or otherwise elects, in its sole discretion, not to nominate any or sufficient persons for such positions.

9. A retiring member of the Board shall be eligible for re-election.
10. Except where the Board consists of the Developer's nominees, the Corporation may by resolution at an extraordinary general meeting, remove any member of the Board before the expiration of his term of office and appoint another Owner in his place, to hold office until the next annual meeting, subject always to By-Laws 7 and 8.
11. Where a vacancy occurs on the Board under By-Law 19, the remaining members of the Board may appoint a person to fill that office for the remainder of the former member's term provided such person qualifies for membership pursuant to By-Laws 7 and 8.
12. Except during the period before the first annual general meeting, a quorum of the Crossbow Landing Board shall be 3 and of the Crossbow Point Board shall be 3, and the quorum for the full Board shall be 6 (provided that at least 3 of the members are from the Crossbow Landing Board and at least 3 of the members are from the Crossbow Point Board).
13. At the first meeting of the Board and at each meeting held after an annual general meeting of the Corporation, the Crossbow Landing Board and the Crossbow Point Board shall elect from among its members a President, who, prior to the Crossbow and Crossbow Point Turnover Dates, shall be representatives designated by the Developers, respectively, and a Secretary who shall hold their respective offices until the conclusion of the next annual general meeting of the Corporation or until their successors are elected or appointed. The Presidents shall be the Chairmans of their respective Boards and shall have a casting vote in addition to his original vote. A person ceases to be an officer of the Corporation if he ceases to be a member of the Board. Where a person ceases to be an officer of the Corporation, the Board shall designate from its members a person to fill that office for the remainder of the term.
14. The duties of the officers of the Board shall be as determined by the Board from time to time. All conflicts or potential conflicts of interest regarding a member of the Board and the Corporation shall be disclosed by the member immediately upon his becoming aware of such conflict.
15. At meetings of either the Crossbow Landing Board or the Crossbow Point Board, all matters shall be determined by a simple majority vote.

16. The Crossbow Landing Board and the Crossbow Point Board may:

- a. meet together, or separately, for the conduct of business, adjourn and otherwise regulate their meeting as they think fit, and shall meet when any member of the Board gives to the other members of the said Board, not less than three (3) days' notice of a meeting proposed by him, specifying the reason for calling the meeting provided that the Board shall meet at the call of the President on such notice as he may specify without the necessity of the President giving reasons for the calling of the meeting;
- b. appoint or employ for, and on behalf, of the Corporation such agents or servants as they think fit in connection with the control, management and administration of the Common Property over which they have responsibility and the exercise and performance of the powers and duties of the Corporation;
- c. subject to any restriction imposed or direction given at a general meeting of Owners, delegate to one or more members of the Board such of its powers and duties as it thinks fit, and at any time revoke such delegation;
- d. obtain and retain by contract the services of a Manager or of any professional real property management firm or professional real property manager or agent for such purpose (including, but not so as to limit the generality of the foregoing, the supervision, management and performance of any or all of the duties of the Corporation) and upon such terms as the respective Boards may from time to time decide. SUBJECT ALWAYS to the control and direction of the respective Board, such Manager to be reasonably fit and suited to perform such duties. The Manager(s) employed by the Crossbow Landing Board and the Crossbow Point Board, respectively (it being acknowledged that they Boards may retain the services of one Manager to manage the entire project), need not devote its full time to the performance of duties of the Corporation so long as those duties are performed in good and sufficient fashion. Any such contract shall provide for the Manager to maintain a fidelity bond for the benefit of and naming the Corporation and such bond shall be in an amount at least equal to one-half (1/2) of the approved budget of the Corporation in any given fiscal year and the total amount of any replacement and contingency reserve funds. At all times when the Board consists only of nominees of the Developers no such contract shall provide for an initial term in excess of two (2) years and the termination provisions of the Act shall apply thereto.

17. The Crossbow Landing Board and the Crossbow Point Board shall each independently on a continuous basis:

- b. cause minutes to be kept of general meetings of the Owners and upon written request, provide copies thereof to first mortgagees;

- g. cause to be prepared and distributed to each Crossbow Landing Owner and Crossbow Point Owner, as the case may be, and to each mortgagee who has notified its interest to the Corporation a financial statement of the receipts of contributions of all Owners towards the Common Expenses and disbursements made by their respective Board within ninety (90) days of the end of the fiscal year of the Corporation;
- h. within fifteen (15) days of a person becoming or ceasing to be a member of their Board, file or cause to be filed at the Land Titles Office a notice in the prescribed form stating the name and address of that person and the day that the person became or ceased to be, as the case may be, a member of their Board;
- i. file or cause to be filed at the Land Titles office a notice in the prescribed form of any change in the address for service of the Corporation.

18. All acts done in good faith by the Crossbow Landing Board or the Crossbow Point Board are, notwithstanding it be afterwards discovered that there was some defect in the appointment or continuance in office of any member of the Board, as valid as if the member had been duly appointed or had duly continued in office.

A resolution of the Crossbow Landing Board or the Crossbow Point Board in writing and signed by all of the members shall have the same effect as a resolution passed at a meeting of that Board duly convened and held.

19. The office of a member of the Board shall be vacated if the member:

- g. in the case of a company which is a member of the Board, if the company shall become bankrupt or make an assignment for the benefit of creditors or if proceedings are commenced to wind up the company, otherwise than for the purpose of amalgamation or reconstruction.

CLARIFICATION OF ROLES

20. Notwithstanding any other By-Law or any provision of the Act, any and all powers, duties, rights, obligations, covenants and agreements on the part of the Corporation and/or the Board contained either in these By-Laws, in the Act or pursuant to the general law shall

- a. be read as being the responsibility of the Crossbow Point Board with respect to the Crossbow Point Units and the Crossbow Point Parcel; and
- b. be read as being the responsibility of the Crossbow Landing Board with respect to the Crossbow Landing Units and the Crossbow Landing Parcel,

with the exception of the Common Roadway which shall be the responsibility of the Corporation through the combined Boards.

21. The Owners of the Crossbow Landing Units shall be responsible for electing one-half (1/2) of the directors of the Board, and those persons shall be deemed to constitute the Crossbow Landing Board. The Crossbow Landing Board shall, subject to these By-Laws, be responsible for administration of the Common Property and the Corporation's Units located on the Crossbow Landing Parcel.

22. The Owners of the Crossbow Point Units shall be responsible for electing one-half (1/2) of the directors of the Board, and those persons shall be deemed to constitute the Crossbow Point Board. The Crossbow Point Board shall, subject to these By-Laws, be responsible for administration of the Common Property and the Corporation's Units located on the Crossbow Point Parcel.

SIGNING AUTHORITIES

23. The Board shall determine, by ordinary resolution from time to time, the manner and which officer or officers shall sign cheques, drafts, notes and other instruments and documents, including banking forms and authorities not required to be under corporate seal.

CORPORATE SEAL

24. The Corporation shall have a common seal, and each of the respective Boards shall have their own seal, each of which shall be adopted by resolution and which shall at no time be used or affixed to any instrument except in the presence of at least one member of the Board or by the persons as may be authorized from time to time by resolution of the Board, except that where there is only one member of the Corporation his signature shall be sufficient for the purposes of this By-Law, and if the only member is a company the signature of its appointed representative on the Board shall be sufficient for the purpose of this By-Law.

GENERAL MEETINGS

25. The first annual general meeting shall be convened by the Developers within:
- ninety (90) days from the date that FIFTY (50%) PERCENT of the Residential Units are sold, or
 - one hundred and eighty (180) days from the date that the first Residential Unit is sold,

whichever is sooner. Subsequent annual general meetings shall be held once in each calendar year, and not more than fifteen (15) months shall elapse between the date of one annual general meeting and that of the next. For the purposes of this By-Law 25, the word "sold" shall mean when a transfer of land is registered in the name of the purchaser and the purchaser has unconditionally paid the entire purchase price to the Developers in respect of the Unit and has obtained possession of the Unit from the Developers.

26. All general meetings other than general meetings shall be called extraordinary general meetings.

27. The Crossbow and Crossbow Point Boards may, whenever they think fit, and shall, upon a requisition in writing by Owners representing not less than FIFTEEN (15%) PERCENT of the total Unit Factors for all the Crossbow or Crossbow Point Units or upon the request in writing from mortgagees holding registered mortgages (and who have notified their interests to the Corporation) against Units in respect of which corresponding Unit Factors represent not less than FIFTEEN (15%) PERCENT of the total Unit Factors or a combination of such Owners or mortgagees entitled to vote with respect to FIFTEEN (15%) PERCENT of the total Unit Factors, convene an extraordinary general meeting of either the Crossbow Landing Unit Owners or the Crossbow Point Unit Owners.

NOTICE OF GENERAL MEETING

28. Seven (7) days' notice of every general meeting specifying the place, the date and the hour of meeting, and in the case of special business the general nature of such business, shall be given to all Owners and first mortgagees who have notified their interests to the Corporation. Notice shall be given to the Owners and to such mortgagees in the manner prescribed in these By-Laws, but the accidental omission to give notice to an Owner or mortgagee or non-receipt by

an Owner or mortgagee does not invalidate the meeting or any proceedings thereat. In computing the number of days notice of a general meeting required under these By-Laws, the day on which the notice is deemed to have been received and the day of the meeting shall be counted.

PROCEEDINGS AT GENERAL MEETINGS

29. All business that is transacted at an annual general meeting, with the exception of the consideration of accounts and election of members to the Board, or at any extraordinary general meeting, shall be deemed special.

30. Save as in these By-Laws otherwise provided, no business shall be transacted at any general meeting unless a quorum of persons entitled to vote is present at the time when the meeting proceeds to business and one-quarter of the persons entitled to vote present in person or by proxy shall constitute a quorum.

31. If within one-half hour from the time appointed for a general meeting a quorum is not present, the meeting shall stand adjourned to the same day in the next week at the same place and time and if at the adjourned meeting a quorum is not present within one-half hour from the time appointed for the meeting, the persons entitled to vote who are present shall be a quorum.

32. The order of business at general meetings, and as far as is appropriate at all extraordinary general meetings, shall be:

- a. the election of the Chairman of the meeting;
- b. calling of the roll and certifying the proxies;
- c. proof of notice of meeting or waiver of notice;
- d. reading and disposal of any unapproved minutes;
- e. reports of officers;
- f. reports of committees;
- g. financial report;
- h. appointment of auditors;
- i. election of the Crossbow Landing Board and the Crossbow Point Board;
- j. unfinished business;
- k. new business;
- l. adjournment.

VOTES OF OWNERS

33. At any general meeting a resolution by the vote of the meeting shall be decided by a show of hands, unless a poll is demanded by any Owner or registered mortgagee present in person or by proxy. Unless a poll be so demanded, a declaration by the Chairman that a resolution has, on the show of hands, "been carried" is conclusive evidence of the fact without proof of the number or proportion of votes recorded in favour or against the resolution. Except for matters requiring a Special Resolution, all matters shall be determined by majority vote.
34. A poll, if demanded, shall be taken in whatever manner the Chairman thinks fit, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. In the case of equality in the votes, whether on a show of hands or on a poll, the Chairman of the meeting is entitled to a casting vote in addition to his original vote. A demand for a poll may be withdrawn.
35. On a show of hands, each person entitled to vote for any Unit shall have one vote for that Unit. On a poll, the votes of persons entitled to vote shall correspond with the Unit Factors for the respective Units owned or mortgaged to them.
36. On a show of hands or on a poll, votes may be given either personally or by proxy.
37. An instrument appointing a proxy shall be in writing under the hand of the appointee or his attorney, and may be issued for a specific meeting, or as a general proxy. A proxy may be made by anyone with voting rights in the Condominium Corporation.
38. No Owner is entitled to exercise the power of voting conferred by the Act or these By-Laws unless all sums, levies, condominium fees and other obligations owing to the Corporation or payable in respect of his Unit have been duly paid or performed to the date thirty (30) days prior to the date that the power of voting may be exercised, and the presence of any such defaulting Owner shall not count for quorum constitution purposes pursuant to By-Law 27.
39. A Unit which has more than 1 registered owner or where title to the Unit has been divided into fractional ownerships (ie. four (4) certificates of title each as to an undivided one-quarter interest in that Unit) then in such case the registered owners ("Co-Owners") may vote by proxy but only if the proxy is properly appointed by them and in the absence of such proxy. Co-Owners are not entitled to vote separately on a show of hands except when a Special Resolution is required by the Act. A Co-Owner may demand that a poll be taken.
40. On any poll, each Co-Owner is entitled to such part of the vote applicable to his Unit as is proportionate to his interest in that Unit, provided however that joint tenants of a Unit, or of a fractional interest in a Unit, shall not be entitled to vote separately whether by way of show of hands or on any poll. The joint proxy holder (if any) on a poll shall have a vote proportionate to the interest in the Unit of the Co-Owners if they were to vote personally or by individual proxy.

41. In no circumstances may any Unit, whether owned by Co-Owners or not, have more than 1 vote on a show of hands or on a poll have more votes than the Unit Factors attributable to their Unit.

42. Where an Owner is a trustee, he shall exercise the voting rights in respect of the Unit to the exclusion of persons beneficially interested in the trust, and those persons shall not vote.

43. Notwithstanding the provisions of these By-Laws with respect to appointment of a proxy, where the Owner's interest is subject to a registered mortgage and where these By-Laws or any statute provides that the power to vote conferred on an Owner may or shall be exercised by the mortgagee and where the mortgagee has given written notice of his mortgage to the Corporation, no instrument or proxy shall by necessary to give the mortgagee the said power to vote, however the mortgagee's power to vote shall be restricted (as is the Owner's) by the Owner's failure to pay assessments.

VIOLATION OF BY-LAWS

44. a. Any infraction or violation of, or default under, these By-Laws or any rules and regulations established pursuant to these By-Laws by an Owner, his servants, agents, licensees, invitees or tenants may be corrected, remedied or cured by the Corporation and any costs or expenses incurred or expended by the Corporation in correcting, remedying or curing such infraction, violation or default shall be charged to such Owner and shall be added to and become part of the assessments of such Owner for the month next following the date when such costs or expenses are expended or incurred (but not necessarily paid) by the Corporation and shall become due and payable on the date of payment of such monthly assessment and shall bear interest at the Interest Rate until paid;
- b. The Corporation may recover from an Owner by an action for debt in any court of competent jurisdiction (i) any sum of money which the Corporation is required to expend as a result of any act or omission by the Owner, his servants, agents, licensees, invitees or tenants, which violates these By-Laws or any rules or regulations established pursuant to these By-Laws, plus (ii) the sum of \$250 per violation or \$100 per day (in the case of an ongoing breach), whichever is greater, and there shall be added to any judgment, all costs of such action including costs as between solicitor and his own client on a full indemnity basis. Nothing herein shall be deemed to limit any right of any Owner to bring an action or proceeding for the enforcement and protection of his rights and the exercise of his remedies;
- c. In addition to the above, the Corporation may exercise the following powers:
- i. in the event that an Owner shall fail to maintain in a clean and sightly condition his Unit, or any parking area, balcony, deck, garden, landscaping area, or other area of the Parcel or portion of the Common Property, if any, the exclusive use of which has been assigned to him in accordance with these By-Laws or which may be owned by him, then after ten (10) days notice given to him to correct the unsightly conditions set forth in the said notice from the Board, the Board or its representatives

may order the unsightly condition corrected and the Owner shall reimburse the Board for all monies expended and all costs incurred in order to rectify the said unsightly condition and pay interest thereon at the Interest Rate after demand for payment has been made; and

- d. those powers provided for in the Act.

DAMAGE OR DESTRUCTION

45. a. In the event of damage or destruction to a Unit or Units as a result of fire or other casualty, the respective Board shall determine within thirty (30) days of the occurrence whether there has been substantial damage. For the purposes of this paragraph, substantial damage shall mean damage to the extent of 25% or more of the replacement value of all Units effective immediately prior to the occurrence. Prior to making any determination under this sub-paragraph the respective Board shall obtain the opinion of an independent insurance appraiser to the effect that substantial damage has or has not occurred. If there has been substantial damage the respective Board shall convene an extraordinary general meeting and give at least ten (10) days' notice by registered mail to all Crossbow Landing and Crossbow Point Owners and registered first mortgagees.
- b. Unless there has been substantial damage and the Owners and first mortgagees by Special Resolution resolve not to proceed with repair or restoration within one hundred (100) days after the damage or destruction, the respective Board shall arrange for prompt repair and restoration using proceeds, subject to the terms of any insurance trust agreement, of insurance for that purpose. The respective Board shall cause the proceeds of all insurance policies to be disbursed, subject to the terms of any insurance trust agreement, to the contractors engaged in such repair and restoration in appropriate progress payments. Any costs of such repairs and restoration in excess of the insurance proceeds shall constitute a Common Expense and the respective Board may assess the Unit Owners for such deficiency as part of the Common Expenses in accordance with these By-laws.
- c. Where there has been substantial damage and the Owners and first mortgagees resolve by Special Resolution within one hundred (100) days after the damage or destruction not to repair, the respective Board shall on behalf of its respective Owners make application to terminate the condominium status of the affected Parcel (i.e. either the Crossbow Landing Parcel or the Crossbow Point Parcel) in accordance with the provisions of the Act, and each of the Owners shall be deemed to consent to such application. Upon termination of the condominium status:
- i. any liens or charges affecting any of the Units shall be deemed to be transferred in accordance with their existing priorities to the interests of the respective Owners of the affected Parcel; and
 - ii. the proceeds of insurance shall be paid to the Owners and mortgagees as their respective interests may appear in proportion to their respective

interests in the affected Parcel, in accordance with the terms of any insurance trust agreement;

- d. No Owner shall be entitled to claim any compensation from the Corporation for any loss or damage to the property or person of the Owner arising from any defect or want of repair of the Common Property or any part thereof, unless such loss or damage is covered by the Corporation pursuant to the Act or these By-Laws, whichever carries the greater coverage.
- e. Where the Corporation is required to enter a Unit for the purpose of maintaining, repairing or renewing pipes, wires, cables, and ducts for the time being existing in the Unit and capable of being used in connection with the enjoyment of any other Unit or the Common Property, the Corporation and its servants, employees and agents shall in carrying out any work or repairs do so in a proper and workmanlike manner and shall make good any damage to the Unit occasioned by such work and restore the Unit to its former condition, leaving the Unit clean and free from debris;
- f. An Owner shall indemnify and save harmless the Corporation from the expenses of any maintenance, repair or replacement rendered necessary to the Common Property or any Unit by his act or omission or by that of any member of his family or his or their guests, servants, agents, invitees, licensees or tenants;
- g. With respect to the Crossbow Point Buildings, any pipe freeze-up in a Crossbow Point Unit shall, unless there is direct evidence to the contrary, be presumed to be caused by that Crossbow Point Unit Owner who shall be responsible for and shall pay any insurance deductible of the Corporation in respect of any such loss, which payment shall be in addition to any other right or remedy the Corporation or other Owners may have against the offending Owner. With respect to the Crossbow Landing Buildings, any pipe freeze-up in a Crossbow Landing Unit shall, unless there is direct evidence to the contrary, be presumed to be caused by that Crossbow Landing Unit Owner who shall be responsible for and shall pay any insurance deductible of the Corporation in respect of any such loss, which payment shall be in addition to any other right or remedy the Corporation or other Owners may have against the offending Owner.

INSURANCE

- 46. a. The Crossbow Landing Board and the Crossbow Point Board shall obtain and maintain (in the name of the Corporation if required) subject always to the Act at all times, to the extent obtainable, insurance on the Common Property and Equipment located on the Crossbow Landing Parcel and Crossbow Point Parcel, respectively, including without limitation the following insurance:
 - i. Fire insurance with extended coverage endorsement insuring all the insurable Common Property and all insurable property both real and personal of any nature whatsoever of the Corporation and all of the Units (excluding all improvements and betterments made to the Units by the Owners and all furnishings or other personal property of the Unit Owners)

for the full replacement cost thereof, without deduction for depreciation, and covering the interests of and naming as insured all Owners from time to time and also naming as insured their mortgagees (if such mortgagees have given written notice of their interest to the Corporation) and the Corporation, as their respective interests may appear and to be paid out in accordance with any insurance trust agreement;

- ii. Boiler insurance if any boilers or pressure vessels exist;
 - iii. Such other insurance and coverage for such other risks or causes as the Board may determine or as may be determined by Special Resolution of the Crossbow Landing Units or the Crossbow Point Units, as the case may be;
- b. All policies shall provide that they may not be cancelled or substantially modified without at least thirty (30) days prior written notice to all the insureds, including all mortgagees of Units who have given prior written notice to the Corporation of their interests and any insurance trustee. Prior to obtaining any policy of fire insurance or any renewal thereof and at least annually unless waived by a general meeting, the respective Board shall obtain an appraisal from a qualified appraiser setting out the full replacement value of the Buildings on the particular Parcel, including all of the Units and the Common Property and all property of the Corporation on that Parcel, and the respective Board shall forthwith deliver a copy of each appraisal to each Owner and each mortgagee who has given written notice to the Corporation of its interest. The Crossbow Land Board and the Crossbow Point Board both shall maintain their respective insurance policies at the level required by these By-Laws and suggested by the said appraisal.
- c. Exclusive authority to adjust losses and settle proceeds under policies hereinafter in force in the project shall be vested in the respective Boards or their authorized representative and the insurance trustee, in the event such has been appointed.
- d. In no event shall the insurance coverage obtained and maintained by the respective Board be brought into contribution with insurance purchased by Owners or their mortgagees and the respective Board's insurance shall be deemed to be primary insurance.
- e. Each Board shall also obtain and maintain public liability insurance insuring the Corporation, the Board members and all officers for any liability arising out of any action or omission of the member of the Board or the officer with respect to carrying out the functions and duties of the member or officer, except as a result of a failure to exercise the powers and discharge the duties of their respect office honestly and in good faith. Each Board shall also maintain liability insurance insuring the Corporation and the Owners against any liability to the public or to the Owners and their invitees, licensees or tenants, incidental to the ownership or use of the Parcel or otherwise arising out of a breach of the Corporation's duty as the occupier of the Common Property or its ownership, use or operation of the Equipment. Limits of liability under such insurance shall be not less than \$2,000,000.00 inclusive for bodily injury or property damage per occurrence.

- f. The limits and coverage shall be reviewed at least annually by the respective Board and increased or decreased in its discretion. The policy or policies shall provide a cross liability endorsement wherein the rights of a named insured under the policy or policies shall not be prejudiced as respects their action against another named insured.
- g. Each insurance policy must insure the interest of the Corporation and the Owners, with standard mortgagee endorsements attached and shall also provide for:
 - i. a waiver by the insurer of its subrogation rights against the Corporation, its Board members, officers, manager, agents, employees and servants and the Owners and any member of the household or guests of any Owner or occupant of a Unit, except in the case of arson, fraud or a failure to act honestly and in good faith with a view to the best interest of the Corporation;
 - ii. a waiver by the insurer of any defense based on co-insurance (provided that policies of physical damage may contain co-insurance on a stated amount basis as long as the appraisal requirements of this By-Law are met) or of invalidity arising from the conduct of or any omission or act or breach of a statutory condition by any insured; and
 - iii. a waiver of the insurer's option to repair, rebuild or replace in the event that after damage the condominium status is terminated.

A certificate or memorandum of all insurance policies and endorsements thereto shall be issued as soon as possible to each Owner upon written request having been made therefore, and a duplicate original or certified copy of the policy to each registered mortgagee who has given written notice of his mortgage to the Corporation. A renewal certificate or memorandum of new insurance policies shall be issued to each registered mortgagee who has given written notice of his mortgage to the Corporation, not later than ten (10) days before the expiration of any current insurance policy. The master policy for any insurance coverage shall be kept by the Corporation.

Notwithstanding the foregoing, the Owner may, and upon the written request of any mortgagee shall, carry insurance on their own Units as permitted by the Act provided that the liability of the insurers issuing insurance obtained by the Board shall not be affected or diminished by reason of insurance carried by any Unit Owner.

ASSESSMENTS FOR COMMON EXPENSES AND BUDGETS

- 47. a. The Common Expenses shall, without limiting the generality hereof, be collected by the respective Boards from their respective Unit Owners and shall include the following:
 - i. all levies or charges on account of garbage removal, electricity, water, gas and fuel services supplied to the Corporation for the project and for the benefit of all Owners and not charged directly to any one Owner either by meter or otherwise;

 - ii. a notice of the assessment for his contribution towards the Common Expenses or Maintenance Fees, as the case may be, for said ensuing fiscal year.
- c. The Proposed Budget set out by categories is an estimate of the Common Expenses or Maintenance Fees of the Corporation for the next fiscal year. The Proposed Budget shall include a reasonable provision for contingencies and replacements ("Reserve Fund").

- d. The Reserve Fund may be used for the repair or replacement of any real and personal property owned by the Corporation and the Common Property but is not intended to be used to cover annually recurring maintenance and repair costs which are to be set out and provided for in the annual budget. Each of the Crossbow Landing Unit Owners, on the one hand, and each of the Crossbow Point Unit Owners, on the other hand, shall indemnify and save harmless each other from and against any loss, claim, damage, expense or action brought against them by reason of one of the Boards and corresponding Unit Owners not maintaining an adequate Reserve Fund whether pursuant to the Act or these By-Laws.
- e. - f. All payments of whatsoever nature required to be made by each Owner and not paid within ten (10) days of the due date for payment shall bear interest at the Interest Rate from the date when due until paid. All payments on account shall first be applied to interest and then to the assessment payment first due.
- g. The Corporation shall, on the application of an Owner or any person authorized in writing by him, certify within ten (10) days:
 - i. the amount of any contribution determined as the contribution of the Owner;
 - ii. the manner in which the contribution is payable;

 - v. and, in favour of any person dealing with that Owner, the certificate is conclusive proof of the matters certified therein.
- h. Upon the written request of an Owner, purchaser or mortgagee of a Unit the Corporation shall, within ten (10) days of receiving that request, provide to the person making the request one or more of the following as requested by that person:
 - i. a statement setting forth the amount of any contributions due and payable in respect of a Unit;

Notwithstanding any other provision contained in these By-Laws to the contrary or otherwise, where an obligation, expense, cost, levy or tax is referred to as being against or in respect of a particular Parcel (i.e. the Crossbow Landing Parcel or the Crossbow Point Parcel) it shall be deemed to refer to that land area encompassed by the respective Parcel as outlined in the Condominium Plan, notwithstanding that the Bare Land Units are subsequently re-divided by registration of the Redivision Plans. By way of clarification and example, a reference to Common Expenses incurred in respect of landscape maintenance on the Crossbow Landing Parcel shall be calculated by determining what land area was initially comprised in Bare Land Units 1 and 2 and then charging any landscape maintenance incurred in respect of that land area to the Crossbow Landing Units. The same is true for the Crossbow Point Parcel/Bare Land Units 3 and 4.

49. Each year the Crossbow Landing Board and the Crossbow Point Board shall set out in the budget an amount for a capital replacement reserve fund to provide for contingencies and replacements of the Common Property and the Corporation's Units (each such fund will be respectively referred to herein as the "Crossbow Landing Reserve Fund" and the "Crossbow Point Reserve Fund"). Common Property which is within each respective Board's jurisdiction pursuant to these By-Laws, but the Reserve Funds are not intended to be used to cover annually recurring maintenance and repair costs which are to be set out and provided for in the annual budget. The respective Crossbow Landing Board and Crossbow Point Board may by resolution determine the maximum amount that may be paid from their own respect reserve funds in respect of a single expenditure.

50. At each annual general meeting of the Corporation, the Crossbow Landing Board and the Crossbow Point Board shall review the actual budget costs against the proposed budget costs and make any changes which are required to the allocation chart contained in By-Law 48 in order to more closely reflect the actual Common Expenses incurred by the Corporation. In making any such changes, both Boards shall act reasonably and such a decision to amend the allocation chart shall be made by a majority resolution passed by both Boards.

SPECIAL ASSESSMENTS

51. If at any time it appears that the annual assessment or contribution towards the Common Expenses will be insufficient to meet the Common Expenses or Maintenance Fees, and the Corporation or the Developers, as the case may be, chooses to directly levy any costs, expenses, fees or tax bills, the Corporation or the Developers may assess and collect a special contribution or contributions against each Unit in an amount sufficient to cover the additional anticipated Common Expenses or Maintenance Fees. The Corporation or the Developers shall give notice of such further assessment to all Owners which shall include a written statement setting out the reasons for the assessment and each assessment shall be due and payable by each Owner in the manner and on the date or dates specified in the notice. Each such special contribution shall be determined and assessed against the Crossbow Landing Owners or the Crossbow Point Owners, as the case may be, in proportion to the Unit Factors. All such special contributions shall be payable within ten (10) days of the due date for payment as specified in the notice and if not paid shall bear interest at the Interest Rate from the due date until paid.

The Corporation shall have the right to file a caveat or encumbrance against the Unit title or interest of such owner in respect of the lien or charge for the amount of such unpaid contribution, assessment, installment or payment as hereinbefore mentioned, and for so long as such unpaid contribution assessment, installment or payment remains unpaid, provided that each such caveat or encumbrance shall not be registered until after the expiration of thirty (30) days following the due date for the first payment in arrears. As further and

better security against assessments, installments or payment which are in arrears for more than thirty (30) days, the Owners shall give to the Corporation a mortgage or encumbrance for the full amount thereof and all contributions, assessments, installments and/or payments, and interest thereon at the Interest Rate from the due dates for payment of the same, and the Corporation shall be entitled to enforce its lien, charge and security and pursue such remedies as may be available to it by law or in equity, from time to time;

Any other Owner or person, firm, or corporation whatsoever may pay any unpaid contribution, assessment, installment or payment after the expiration of thirty (30) days following the due date for payment by the owner in default, with respect to a Unit, and upon such payment, such party, person, firm or corporation shall have a first paramount lien, subject to the estates or interests hereinbefore mentioned and shall be entitled to file a caveat or encumbrance in respect of the amount so paid on behalf of the owner in default, and shall be entitled to enforce his lien, thereby created, in accordance with the other terms and conditions of this provision;
- c. Notwithstanding, and in addition to, any other term, condition or provision herein contained or implied, each unpaid contribution, assessment, or payment shall be deemed a separate, distinct and personal debt and obligation of the Owner against whom the same is assessed and collectible as such. Any action, suit or proceeding to recover such debt or to realize on any judgment therefore shall be maintainable as a separate action, suit or proceeding without foreclosing or waiving the lien, charge or security, securing the same;
- d. In the event of any assessment against, or installment or payment due, from an Owner remaining due and unpaid for a period of ninety (90) days, the Board shall give notice of such default to all mortgagees having an interest in such owner's Unit who have notified their interests to the Corporation;

- f. All reasonable costs of the Manager and legal costs and disbursements incurred by the Corporation in registering and discharging a Caveat or in any way protecting its interest hereunder shall constitute a payment due the Corporation.

53. Any certificate as to the Owner's position or responsibility with regard to contributions, expenses, assessments or otherwise, issued by an officer of the Corporation or the Manager shall be deemed an Estoppel Certificate and the Corporation and all of the Owners shall be estopped from denying the accuracy of such certificate against any mortgagee, purchaser or other person dealing with the Unit Owner but this shall not prevent the enforcement against the Unit Owner

Although these parking stalls are considered Common Property this shall not affect the Developer's ability to use (pursuant to the aforesaid lease agreement) and transfer this leasehold right, or a portion thereof, in these parking stalls upon terms and for such price as the Developers, in its sole discretion, deems acceptable without compensation payable to the Corporation. However, the lease agreement relating to these parking stalls shall only be transferred, in whole or in part, to and may only be used by Owners of Units and not for any other third party purposes.
