

CROSSBOW AGM / ACM January 5, 2019 - THANK YOU

The Board of Directors of Crossbow Point extend their thanks to all those Owners who attended the AGM/ACM meetings recently. We had a terrific turn-out. We also thank those Owners who, while unable to attend the meeting, took the time to complete a Proxy so as to ensure quorum for the meetings.

The ACM resulted in some valuable dialogue among Owners and the Board. Your feedback to the Board is of the utmost importance and always welcomed, as it allows us to gauge the value and focus of our work on your behalf.

Also, we appreciate those Tenants that attended the meeting for information purposes.

We thank the Social Committee for organizing the post-AGM/ACM mixer in the Great Room. All attendees seemed to enjoy themselves thoroughly.

Next year's AGM/ACM meetings are currently planned for January 4, 2020. Kindly 'pencil' into your calendars.

To all, we hope that 2019 is all that you hope it will be for your and yours.
