

Amenities building - update regarding the closure of certain facilities

MESSAGE FROM YOUR BOARD - June 10, 2020

SUBJECT: Crossbow Point – COVID-19 - amenities per Alberta Stage 2 relaunch

Dear Owners and Residents,

The Board thought this would be an opportune time to update you on Alberta's recent announcement concerning Stage 2 relaunch in relation to certain amenities.

We, along with PEKA, have reviewed the latest Alberta guidance documentation. As a result, our sports related amenities (swimming pool, hot tub, gym, sauna, steam room) must remain closed for the time being. This is due to the fact that we are unable to meet certain operational requirements; specifically, the need to have staff in place to monitor activities during all open time periods.

Your Board, and PEKA, will continue to monitor Alberta guidance and advise further as appropriate.

We appreciate your understanding.
